## Toronto, Ontario welcomes another Burger King!

Redberry Restaurants Opens Sixth of Seventeen New Burger King Restaurants planned for 2021.

TORONTO, October 20, 2021 - Redberry Restaurants ("Redberry") announces the opening of their newest Burger King restaurant located on 5322 Dundas Street West. This Burger King is located on the major E/W commuter road Dundas St. W connecting Toronto to Mississauga. Redberry is excited to serve the local community and the transient pedestrian traffic.

"The restaurant location is a major Quick Service Restaurant strip that serves a residential and industrial customer base. The new restaurant is surrounded by an established residential base and many new high rises being constructed" said Chris Racine, SVP Operations & Development, Redberry Restaurants. "The opening of this new restaurant aligns with Redberry's expansion plans for growing the brand by 103 new locations within the next few years."

Sharron Fry, Director of Marketing at Redberry Restaurants commented, "The Burger King is located close to the new Metrolink (GO train, TTC subway and Mississauga Transit hub) at Kipling station. Amongst all the other QSRs the newest restaurant will be providing the area with the flame-grilled taste of the iconic Whopper® sandwich. Additionally, this location will be providing delivery services through UberEATS, DoorDash, and Skip the Dishes."

The opening of this latest restaurant brings Redberry's Burger King Canada restaurant count to 117 units, with plans actively underway to build an additional 10 units this year. The rapid expansion plans align with the Area Development Agreement to build more than 100 new Burger King restaurants in the next few years. Redberry Restaurants aims to generate more than 4,000 new employment opportunities to support these significant build-out plans.
