Cambridge, Ontario welcomes another Burger King!

Redberry Restaurants Opens Ninth of Sixteen New Burger King Restaurants planned for 2021.

TORONTO, November 22, 2021 - Redberry Restaurants ("Redberry") announces the opening of another Burger King restaurant. This newest location is at 430 Main Street, Cambridge. Cambridge residents can now enjoy the option of a second Burger King restaurant in town to enjoy the flame-grilled taste of the iconic Whopper® sandwich. In addition, this restaurant will provide delivery services through UberEats, DoorDash, and Skip the Dishes.

"The proposed site is 2,306 square feet, freestanding drive thru located at the front of a Canadian Tire anchored retail plaza, facing Main Street which carries significant traffic to the residential areas to the west and south. The plaza has a secondary access off of Dundas Street which carries traffic north and south of the site," said Chris Racine, SVP Operations & Development, Redberry Restaurants. "The opening of this new restaurant aligns with Redberry's expansion plans for growing the brand by adding 168 new locations within the next few years."

Sharron Fry, Director of Marketing at Redberry Restaurants commented, "The location of our newest Burger King is in a very busy high-traffic area, making it a convenient and easy location for our guests to visit. This new restaurant brings more jobs to the area and makes the iconic Whopper sandwich accessible to even more guests in Cambridge."

The opening of this latest restaurant brings Redberry's Burger King restaurant count to 120 units, with plans actively underway to open an additional 7 units this year. The rapid expansion plans align with the Area Development Agreement to build more than 168 new Burger King restaurants in the next few years, and remodel more than 60 restaurants in the current portfolio. Redberry Restaurants aims to generate more than 4,000 new employment opportunities to support these significant build-out plans.
